## THERE ARE A LOT OF CRUISE COMPANIES OUT THERE. BUT THERE'S ONLY ONE *DISCOVERY*.

The key to a Voyage of Discovery cruise is simplicity itself ~ see more, do more. So, you'll discover some of the great cities and monuments from the ancient and modern worlds. And along the way, you'll also share the stories and insights not everyone gets to see. Our renowned guest speakers unlock the secrets, whilst *Discovery* is the perfect way to get to any destination. It will be a voyage you won't forget. Small enough to reach out-of-the-way ports, yet large enough to make light work of crossing the great oceans, *Discovery* avoids the excesses of today's mega-liners. Instead, she has been expressly conceived for our special brand of 'discovery cruising' to create an atmosphere on board that is friendly and relaxed. There are all the facilities you would expect on a ship of this size, including three restaurants, a choice of bars and lounges, two pools, a wellstocked library, lecture theatre/ cinema and internet centre.
