As anyone who has travelled with Voyages of Discovery before will testify, it is like no other cruise holiday. With her classic liner style, room to relax and with only 650 like-minded passengers, *Discovery* is perfect for seeing the smaller ports and islands that have to be missed by other lines.

Aboard *Discovery*, fascinating destinations are brought to life by renowned guest speakers, and as there are no distracting nightclubs, casinos, or other extravagant amenities found on so many other cruise lines, you can fully immerse yourself in the destination. It is a return to classic cruising, where learning about, and then experiencing a port of call is highly valued.
